

River Chair - designed by Mac Stopa

Award-winning designer Mac Stopa is known for his bold and innovative designs, and his latest release, River Chair, is no exception.

Its lightweight yet sturdy design allows River Chair to adapt to a wide range of commercial spaces. Utilising waterproof “Soft Touch Plus” polyurethane, and including a built-in drainage feature makes River Chair particularly suited to outdoor use.

River Chair is available in 8 standard colors plus metallic silver, and is also offered in custom colors, subject to minimum quantities.
