

Safco® – Mayline® to launch new line of active seating

Minneapolis, MN (May, 2018) Bounce into new colors with Safco® – Mayline®.

Safco® – Mayline® is launching new colors to extend our pre-existing line of active seating. Zenergy™, Runtz™, and Zenergy Swivel™ Ball Chairs are now available in two-tone fabrics. We will be showcasing our new additions to the Active Collection at NeoCon in Showroom 1147, June 11-13th.

Multi-colored options are available in two-tone vinyl or two-tone fabric to suit a variety of décor. All pieces include a covered exercise ball, anti-skid base, and a pump. These chairs support a movement-filled day and can help improve posture.

Runtz is the perfect size for children to use, and acts as a great alternative desk chair within classrooms. Zenergy and Zenergy Swivel, provide adults with an easy way to mix up their day within the workplace; perfect for a collaborative space or private office.

These seating solutions are part of the Active Collection; Active Collection products are designed to promote active movement throughout the day and engage major muscle groups to help combat the negative effects of inactivity. Ball Chairs designed by Thomas Walser.
