PRESS RELEASE

Part of Bentley's FAST TRACK program, the two styles are quick to ship within 10 business days of order – offering designers with tight timelines new levels of possibilities. Coin-op and Endgame feature ultimate durability with a sophisticated yet energizing aesthetic, changing the conversation around efficiency without compromising style or quality.

The invigorating mid-scale option, **Coin-op** pushes the limits of design with abstract and glitch-like geometric patterning. **Endgame**, the large-scale pattern, intensifies into a cloud-like repetition, tracing interiors with an organic, hazy hue of ethereal playfulness. Pair the design duo together, or mix and match with other options within the larger collection to create a fresh, dynamic and elegant environment.

Ready for use in 13 colorways, Coin-op and Endgame are crafted with **Antron® Lumena™ Type 6,6 Solution-Dyed Nylon** for ultimate color and performance. Coin-op is available in 24-inch by 24-inch and 18-inch by 36-inch NexStep® Cushion Tile and AFIRMA™ Hardback Tile, and 12-foot by 6-inch High PerformancePC Broadloom Backing. Endgame is available in 24-inch by 24-inch and 18-inch by 36-inch NexStep® Cushion Tile and AFIRMA™ Hardback Tile.
