DARRAN's Lisso collection premieres at NeoCon 50

HIGH POINT, N.C./ JUNE 11, 2018/ -- DARRAN Furniture unveiled a new wood guest seating collection, Lisso, at NeoCon 50 this week in Chicago.

Lisso guest seating makes an elegant design statement at a practical price point with its contoured and thin silhouette. Lisso is a complementary choice to any of DARRAN's desk and workstation collections. The solid wood frame features a wall saver leg design and vivid angles in armed or armless versions.

Lisso is designed by Chris Carter Designs, LLC.

For more information about Lisso, visit <http://www.darran.com/product/seating/lisso>
