About ERGOCHIEF™

ERGOCHIEF™ designs and produces office furniture adapted to the modern world. We believe that your workspace should improve your life not burn you out. We explore every option possible to bring movement to your workspace. We do it by thinking beyond the conventional office furniture and building life-changing fusions that have never been seen before.

Come and visit our booth: **7-2070**. We will be exhibiting our latest 2018-2019 collection available for the first time at NEOCON. For appointments please refer to the NEOCON appointment portal.
