***MAGNUSON GROUP DEBUTS SIM:
NEW PRACTICAL, STYLISH TABLES
SUITED FOR OUTDOOR USE***

New Product Introduction: SIM — family of practical, stylish European-design painted steel tables in three sizes, suitable for outdoor or indoor use.

Design: Studio Eurolinea of Italy.

Manufacturer: Gaber SRL, near Treviso, Italy. Distributed throughout North America by Magnuson Group in Illinois, founded 1984.

Product Applications: SIM is a group of highly practical, stylish, square- and rectangular shape tables suitable for exterior or interior use in a choice of two heights, and three finish colors. The tables are ideal for exterior venues, patio, work, meeting or dining tables in contract settings.

These include exterior and interior public and private spaces of any size or configuration; corporate and office environments; retail boutiques and special merchandise displays; healthcare and hospitality venues; food service and casual dining.
