

New Catalog from Mockett

Power – Shaping the Way We Work

The cover features the word "POWER" in large white letters, with a red lightning bolt icon inside the letter "O". Below it, the tagline "shaping the way we work" is written in a smaller, italicized font. A white smartphone is shown on a circular wireless charging pad, with a battery icon on the screen indicating "75% Charged". A small icon of a power plug is positioned to the right of the tagline. The Mockett logo, "MOCKETT DOUG MOCKETT & COMPANY, INC.", is located in the bottom right corner.

It is with great pleasure that we announce our new catalog featuring all the latest in power and wire management solutions for furniture. This is a leaner version of our typical full line catalog that focuses specifically on what we see as the future of power integration concepts for furniture

for office, home, hospitality environments, and more. The third work space is all around us and our need for accessible power options wherever we are is more prevalent than ever. We want to show you how to make your furniture functional! We invite you to download your copy now or contact us to request a hard copy. Request as many as you need! We're happy to help, and if you have any questions on how to outfit your furniture on your next project, think of us for your power and wire management needs!
