About 2020

2020 helps professional designers, retailers and manufacturers in the interior design and furniture industries capture ideas, inspire innovation and streamline processes. By providing end-to-end solutions and the world's largest collection of manufacturers' catalogs, 2020 provides businesses with the software and content to be more efficient, integrated and productive. 2020 applications allow professional designers to create kitchens, bathrooms, closets and commercial offices which look as stunning on the screen as they do in reality. 2020 helps retailers to inspire the imagination of their customers and provide an on-line design and shopping experience for home projects. Our solutions for furniture and cabinet manufacturers deliver a complete manufacturing operations management capability to run their factories at maximum efficiency.

Founded in 1987 and headquartered in Laval, Quebec, 2020 employs over 500 people, has direct operations in 11 countries, and supports customers in many more locations around the world through a network of value added resellers.
