Stance Healthcare Will Impress at NeoCon 50
New Healthcare Products and an Enhanced Show Space

Ontario, Canada - Stance Healthcare announced today two new products released earlier this year will be on display at NeoCon 2018 – one of the most recognizable tradeshow in commercial design. The Marna Seating Collection and Carson Sleeper will contribute to the enhanced show space Stance Healthcare has planned for NeoCon’s 50th Anniversary show.

“We are committed to broadening the scope of our product offering, to ensure solutions for a variety of healthcare design challenges” says President, Carl Kennedy. “In our latest offering, we have introduced a contemporary seating collection ideal for waiting areas, and another great option for sleepover seating. Both products were designed specifically for healthcare environments with features making them easy-to-clean, safe and customizable.”

The Marna Seating Collection offers a wide assortment of seating configurations including a bariatric chair, patient chair, 2 seaters and 3 seaters. An array of features and options are also available for this collection including:

- Field-replaceable wood side frames
- Clean out space
- Flex-back on select models
- Optional poly or solid surface arm caps

Providing another sleeper to Stance Healthcare’s lineup of sleepover seating, the Carson sleeper is available as a sofa or a compact bench. Features and options include:

- Heavy-duty concealed drawer mechanisms
- Field replaceable components
- Custom finishes
- Choice of casters or wood legs

To see the Marna Seating Collection and Carson Sleeper, visit Stance Healthcare’s new show space (booth 7-4050) at NeoCon 2018 from June 11 – 13 at The Mart in Chicago. For show information visit www.neocon.com.
