

FOR IMMEDIATE RELEASE

Introducing River Personal Harbor

Take time out to collect your thoughts or catch up on the latest white paper. Personal Harbor is the newest addition to the River seating series, bringing people together where ideas, insight and inspiration can be shared.

The perfect quiet harbor space to retreat, foster creative thinking and recharge. River Personal Harbor is a line extension of the popular River modular seating series, offering three back heights and coordinating laptop/tablet tables. Seating can be specified with power and USB outlets for mobile devices. An optional HT construction lets River overachieve in 24 hour/high traffic, high demand environments such as airports and universities with each seat position rated for 350 lbs.

The unique 6.5" high tapered legs allow for ease of cleaning under product. Legs are standard on all units in a Chrome (CHR) finish (except for the Laptop Tables). Tungsten (TUN) and Black (BLK) finishes are also available at no up-charge. Seating and select tables units can be specified with Power/USB Modules for mobile devices. Available in Jet Black (J) or White (W) face plates/receptacles.

Meets ANSI-BIFMA, Greenguard Indoor Air Quality Certification and Level 3 Certification. River standard models are covered under Global's Lifetime Warranty. River HT models are warranted for 12 years, 24/7.
