Design Enthusiasts know that one of the top North American Interior Design trade shows is NEOCON. This event brings designers from around the world to the Chicago Merchandise mart every June for a trade only affair. Filled with Commercial-Residential products this show has a lot to offer for the industry in this 3 days action packed event. I am pleased to announce that I will be going for the first time this year to NEOCON Chicago and am tickled to have a good coworker and friend accompany me.

If you have any great places to recommend me to in Chicago or are also attending the event please comment below. I am eagerly planning this great trip and cant wait to pack it with design experiences, tours and product knowledge.

Incase you were worried I am also planning to share each day and my top products on my blog. Stay tuned June 14-16!
