

**DESIGN & DOODLE WITH KI AT NEOCON 2011**[Print Article](#)**FOR IMMEDIATE RELEASE:
May 13, 2011**

GREEN BAY, WIS. – Draw upon the KI experience at NeoCon 2011! Specially-designated Sharpie® markers will be offered to NeoCon attendees for the opportunity to leave their creative marks on KI's flagship product – the metal folding chair.

Visit the KI showroom in space 1181 at Chicago's Merchandise Mart during NeoCon 2011 for this unique chance to participate in living art. All participants will be entered in a random drawing to win one of three iPad 2's.

So have fun. Color. Be creative. Design. Imagine and inspire. Then, see how KI has grown well beyond its origins. Experience the latest KI has to offer in distinctive environments at its newly re-designed showroom.

Also, be sure to stop by KI's Neoconfessional, a social experiment for showroom visitors who want to tell-all regarding their NeoCon 2011 experience.

Follow the NeoCon action with KI at ki.com/twitter and ki.com/facebook.

KI manufactures innovative furniture and wall system solutions for [education](#), [healthcare](#), [government](#) and [corporate](#) markets.
