RE: BIM IMPLEMENTATION – A PUBLIC OWNERS PERSPECTIVE
Session Code: M142
Monday, June 14, 2010 – 2:30 to 3:30

On behalf of the Wisconsin Department of Administration, welcome to this session where we are sharing our perspective on this transforming technology on capital projects and the capital asset portfolio.

This session is designed to give you insight into the BIM implementation strategy adopted by the Department of Administration that led to the BIM Guidelines and Standards that became effective July 1, 2009. The process that we followed and what we are developing for the next implementation stage will also be presented.

Some of the topics that will be covered in this session include:

- Overview of Wisconsin BIM Implementation Strategy
- Content of Wisconsin BIM Guidelines and Standards
- Facility Management Handover Guidelines
- BIM in relationship to design professionals and construction industry
- Related digital technologies
- Challenges

There will be ample time given for Questions or Discussion. You may contact me by email bill.napier@wisconsin.gov or by phone at 608-267-0422 for any other questions or comments.

The Wisconsin BIM Guidelines and Standards and the Findings Report can be found on our website www.doa.wi.gov/dsf

Thank you.
