This year's NeoCon World's Trade Fair is less than two weeks away. If you're traveling to Chicago for the event, be sure to pick up a copy of our annual *Taste of the Town* guide at the Merchandise Mart. Although, really, why wait until you arrive to make dining plans? You can read all our restaurant recommendations—conveniently classified by lunch, dinner, and drinks—in the online version of the guide, now available on our Live@NeoCon site.
