FOR IMMEDIATE RELEASE

Introducing the Revive Collection

WADENA, MN—June, 2019— Inspired by midcentury modern design, the Revive collection flawlessly combines classic style and time-tested quality with Homecrest's revolutionary Air technology.

The impeccable mod styling of this collection is only surpassed by its undeniable comfort. Featuring Homecrest's famous double layer slings and exclusive Sensation fabrics, our Air collections offer comfort without bulky cushions. Durable construction and long-lasting finishes take Revive's elegant frame to the next level. Perfect for both relaxation and entertaining, our fabulous new Revive collection is sure to be an instant favorite. View other great Homecrest products at www.homecrest.com. All Homecrest products are made in the USA.
