Bell, Scoop & Cone II: JANUS et Cie Debuts Delightful New Collections

JANUS et Cie introduces three casual lounging and dining elements—Bell, Scoop and Cone II—that are perfect for indoor and outdoor spaces.

The Scoop Lounge Chair is reminiscent of an ice cream scoop, curved to comfortably accommodate guests, while the Bell Side Table is whimsical yet sturdy. The subtle color options and the lightweight nature of the polyethylene pieces allow them to be mixed and matched, even with other JANUS et Cie collections, for eclectic and unique collaborative environments.

The Cone II Dining Table and Side Table are available in two colors, Matte Anthracite and Matte Eggshell, and feature a polyethylene base and HPL top. The geometric tables can be easily paired with other JANUS et Cie armchairs and lounge chairs for a distinctive look.

Bell, Scoop and Cone II are engaging new furnishings that serve guests well in a variety of spaces, from café to poolside at a chic hotel and from public campuses to break areas in university centers. Each piece is 100% recyclable and incredibly durable and are ideal even the most high-traffic areas and variable weather conditions.

The Cone II Side Table is the winner of a 2019 IIDA/HD Expo Product Design Award in the *Casegoods & Freestanding Furniture* category, and the Cone II Dining Table is the recipient of a 2019 NYCxDESIGN Award for Residential Dining Tables. The Bell Side Table is the winner of a 2019 IIDA/HD Expo Product Design Award in the *Accessories or Specialties* category and was a finalist for the 2018 Best of BDNY Product Design Competition.

About JANUS et Cie:

The Definitive Source for Site, Garden, and Casual Furnishings®

For 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury lifestyle brand, now part of the Poltrona Frau Group family along with Poltrona Frau, Cassina and Cappellini, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.

The best furniture to sun in, dine on, or simply look at...indoors or out.®
