### **Forest Brings the Outdoors in with a New Lounge Chair**

JANUS et Cie introduces the Forest Lounge Chair, the latest addition to the incredibly popular collection. The lounge chair is fashioned from the same lightweight powder coated aluminum as the other Forest pieces and is the first lounge element in the collection.

Forest's distinctive design combines a modern, mid-century shape with an organic silhouette that infuses vitality into any indoor or outdoor environment. Angular die-cuts in the seating element create a three-dimensional outline of a forest's thick branches and invites natural elements inside for a strikingly sculptural effect. Clever design contrasts Forest's wooded silhouette with a contemporary frame.

Available in nine mesmerizing finishes, the Forest collection beautifies any environment, including restaurants, corporate lounge areas, residential patios, and public gardens.

Forest collection includes:

- Side Chair
- Armchair
- Low Back Barstool
- High Back Barstool
- Low Back Counter Stool
- High Back Counter Stool
- Lounge Chair

Forest finishes:

- Black
- Chocolate
- Coral Red
- Light Blue
- Mercury
- Metallic Grey

### **About JANUS et Cie:**

The Definitive Source for Site, Garden, and Casual Furnishings®

For more than 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury furniture brand, part of Lifestyle Design family with Cappellini, Cassina, Ceccotti Collezioni, Luminaire, Karakter and Poltrona Frau, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.
