Knot: An Intricate, Macramé-Inspired Collection

JANUS et Cie expands the Knot collection, now offering a two-seat and three-seat sofa for additional lounge options. The flexible seating and lounge collection is well suited for an array of outdoor spaces—whether a patio poolside at home or abroad, or a casual cafe or hotel balcony.

As the name suggests, Knot’s designs utilize the macramé technique of a modified reef knot to create a beautifully patterned, bucket-shaped seat. The pieces in the collection are comprised of intricately handwoven olefin rope supported by a durable, lightweight aluminum frame. For ultimate comfort, each piece is completed with a seat cushion and back pillow.

The seating elements may be paired with the complementary Ottoman, Side Table and Cocktail Table, each with a slightly more angular pattern to their weave for an ideal aesthetic appeal. The group is offered in two new shades, Fossil and Shale.

“Knot is an eclectic ensemble,” says Janice Feldman, JANUS et Cie founder and CEO. “It is perfect for the active family that spends their time together outdoors. The seating pairs wonderfully with many of our dining tables that come in a variety of materials like teak or metal. Blending Knot with other products allows one to bring a unique design influence to their space.”

Knot collection includes:

- Armchair
- Barstool with Arms
- Counter Stool with Arms
- Lounge Chair
- Ottoman
- Sofa 2 Seat
- Sofa 3 Seat
- Cocktail Table Round 90
- Side Table Round 39

About JANUS et Cie:

The Definitive Source for Site, Garden, and Casual Furnishings®

For more than 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury furniture brand, part of Lifestyle Design family with Cappellini, Cassina, Ceccotti Collezioni, Luminaire, Karakter and Poltrona Frau, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.
