### **Nexus: Influenced by Traditional Woven Drums**

JANUS et Cie introduces Nexus, a casual seating collection that takes inspiration from the rope that is expertly woven around traditional native drums for tuning of the instrument. With a rounded seat and angular legs, Nexus' form also mimics the drum's shape.

Made from polypropylene rope woven over an aluminum frame, Nexus offers guests a soft yet durable seat for ultimate support while maintaining a lightweight design.

"I love the intricacy of the Nexus collection," says Feldman. "Each line of rope serves a distinct design purpose and brings a beautiful sense of harmony to every piece."

Available in two new shades, White Opal and Gunmetal, the Nexus collection's versatility makes it the perfect addition to any environment, indoors and out. The pieces are as wonderfully suited at home in a country garden as they are adorning the atrium of a hotel or breakfast café.

Nexus collection includes:

- Armchair
- Barstool
- Lounge Chair
- Ottoman
- Sofa 2 Seat

Nexus collection finishes:

- White Opal
- Gunmetal

JANUS et Cie®

**About JANUS et Cie:**

The Definitive Source for Site, Garden, and Casual Furnishings®

For 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury lifestyle brand, now part of the Poltrona Frau Group family along with Poltrona Frau, Cassina and Cappellini, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.
