Whimsical Sketch Collection Expands

JANUS et Cie introduces barstools and counter stools to Sketch, a seating collection that brightens any indoor or outdoor space. The lightweight seating shows its playful side with bold colors designed to make a statement. The Sketch Barstool and Sketch Counter Stool are available in Finch, Salvia, Sky and White and stack to four.

“Sketch is sure to delight the young at heart,” says Janice Feldman, founder and CEO of JANUS et Cie. “The chairs pop in any office or hospitality environment. Similarly, who wouldn’t want these in an eclectic home—one with or without children?”

Fun and easy to handle, Sketch is made from polypropylene, making it simple to clean. The symmetrical scroll design on the back of the chair gives it a cheerfulness that balances the solid seat. The armchairs and side chairs stack to six and are available in six bright finishes.

Sketch is a budget-friendly collection suitable for a hotel café, restaurant patio or home kitchen.

About JANUS et Cie:

The Definitive Source for Site, Garden, and Casual Furnishings®

For 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury lifestyle brand, now part of the Poltrona Frau Group family along with Poltrona Frau, Cassina and Cappellini, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.

The best furniture to sun in, dine on, or simply look at...indoors or out.®
