### **Zen Brings Harmony to Contemporary Spaces**

JANUS et Cie introduces the Zen Armchair, a budget-friendly piece that is as unique as it is functional. Influenced by the idea of tranquil attentiveness, the expertly engineered chairs strike a remarkable balance between vibrant playfulness and subtle refinement.

“The Zen Armchair was conceptualized around the element of calmness associated with the zen state,” says JANUS et Cie founder and CEO Janice Feldman. “The chair itself is very simple, but each line and subtle curve serves a distinct purpose that brings the piece together in perfect harmony.”

Made from polypropylene with fiberglass, the Zen Armchair is incredibly durable yet surprisingly light, making it a wonderful addition to contract and hospitality environments where adaptability is key. The chairs, which are available in 7 inspired finishes and stack to 8, are equally fitting in a family kitchen or bright outdoor patio.

Zen collection includes:

-Aqua

JANUS et Cie®

For 40 years, JANUS et Cie has been an industry leader in design-driven furnishings for the outdoors. The luxury lifestyle brand, now part of the Poltrona Frau Group family along with Poltrona Frau, Cassina and Cappellini, serves commercial, hospitality and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, founder and CEO Janice Feldman and her exceptional team have transformed JANUS et Cie from a single showroom in the Los Angeles Pacific Design Center to a comprehensive global design resource with 19 flagship showrooms throughout North America, Singapore, Sydney and Milan, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined furnishings to be used both indoors and out, and has influenced an entire industry in the process.

The best furniture to sun in, dine on, or simply look at...indoors or out.®
