

## AVONITE SURFACES® ANNOUNCES 2019 COLORS

**Florence, Kentucky, March 1, 2019** — Avonite Surfaces® Acrylic Solid Surface, a brand of Aristech Surfaces LLC, today announced the release of their brand new North American colors for 2019. The new launch consists of eight colors, STONY PEAK 7747, CLOUD BURST 7746, SNOW MIST 7848, MELLOW 7749, RELIC 7728, INDUSTRIAL 7849, CALM 8908 and UNWIND 8909. The new colors, CALM 8908 and UNWIND 8909, are new additions to their Movement Collection.

The eight colors join over 50 standard North American colors and patterns offered by Avonite Surfaces®. Avonite® acrylic solid surface is used in architectural and design applications in hospitality, retail, education, government, healthcare and commercial workspace. The benefits of Avonite include a non-porous surface, stain resistant, NSF Certified Food Zone Safe, bacteria and chemical resistant, inconspicuous seams, readily repairable surface and thermoformable for curved and custom applications.
